Dear Parent/Guardian:

The Freshman Academy is well under way. As you know, we designed the Freshman Academy to assist ninth grade students who are missing three or more credits get back on track. The expected outcome is that our Freshman Academy students will achieve academic proficiency, and earn credits necessary to become successful 10th and 11th graders next year.

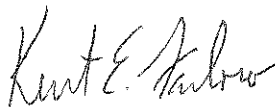

Knowing that parental support is critical to the success of our students, we have planned the first of a series of Freshman Academy parent meetings. At this first meeting you will be provided an overview that explains:

- Transcripts / Academic Records
- Freshman Academy Curriculum Program Offerings
- Student Expectations
- Access / Training to Parent Connect
- Second Semester Organization

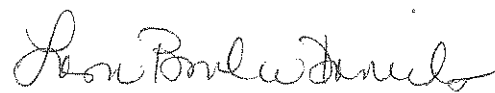

Please join me and the administrative team for the Freshman Academy on Wednesday, September 17th at 6:00 p.m. at the Center for Academics and Technology (1605 Wentworth Avenue, Calumet City). Light refreshments will be provided. We look forward to seeing you and to your continued support of the Freshman Academy.
