

February, 2010

Dear Parents and Guardians:

With the second semester successfully underway, we are preparing for some important upcoming events.

Following Spring Break (Friday, April 2nd through Friday, April 9th), students in grades 9-11 will participate in two days of testing on Wednesday, April 28th and Thursday, April 29th. Please note that these are new State of Illinois dates, which reflect a change from the originally scheduled dates. Juniors will take the critical Prairie State Achievement Exam (PSAE) on both days. Freshmen and sophomores will be administered the ACT PLAN and practice ACT, respectively, on Wednesday, April 28th and WorkKeys on Thursday, April 29th. There will be early release following testing on both days.

The District's student support services teams are currently preparing students to select courses for the 2010-2011 school year. Your child will be meeting with his/her counselor over the upcoming weeks to review course selection options. If you have any questions, please call or schedule a visit with your child's counselor.

Sincerely,

Creg E. Williams, Ed. D.

Superintendent
