RE: PowerSchool Parent/Guardian Access

Dear Parent and Guardians:

In September 2009, District 215 will launch a new internet-based resource that helps parents to be more involved in their child's day-to-day education. Access to **PowerSchool** provides parents/guardians around-the-clock access to real-time information about student's attendance, grades, discipline, in addition to communicating with teachers and staff. This program replaces the *old Parent Connect* program which is no longer available.

How to Get a Password:

To log onto Parent/Guardian Access, you need a private username and password. To receive your login and password, you must complete the Parent Portal Registration form and:

1. Submit it during the Parent-Teacher conferences on October 8, 2009.

OR

2. Return it to your child's school in person.

Instructions for Power School :

1. Go online to tfd215.org
2. Under "Important Information" click on the Parent Users Guide for PowerSchool link

*See Parents Users guide on reverse side.

Get Connected

Once you have your username/password and have read the Parent Users Guide for PowerSchool, login at <http://psch.tfd215.org/public>

If you have any questions regarding this process, please contact:
