Final Exam Expectations

- Students will remain in class period for the entire 70 minutes.
- Final exams should be constructed so that students can complete within 60 minutes.
- Students will be allotted 5 minutes at the beginning of each exam period to review notes/study guides.
- Students will be allotted approximately 5 minutes at the end of each exam period to prepare for next upcoming exam.

Special Considerations:

- Semester 2 will end on Tuesday, June 6th, 2023. This exam schedule permits specified make-up periods.
